

## Are you...

---

Committed?  
Organized?  
Creative?  
Business-minded?  
Numbers-oriented?  
Passionate about our  
NODCC community?

## Consider joining the NODCC Board of Directors.

---

### Requirements:

- All-volunteer positions
- Board members serve three-year terms (with the option to serve two consecutive terms)
- Two required meetings per year with optional monthly phone calls in between
- Board of Directors are required to raise or obtain a certain amount in donations annually
- Serve on at least one committee

## WHY JOIN THE NODCC BOARD OF DIRECTORS?

**NODCC connects individuals touched by DCC directly with one another.**

Nothing says, "Understanding the conditions, changing lives" like serving on the NODCC Board of Directors. When you serve on the Board, you have the honor, challenge, and responsibility of understanding how everything needs to work in order for the NODCC to fulfill our mission to enhance the quality of life and promote opportunities for individuals with disorders of the corpus callosum.

Having someone you care about with a disorder of the corpus callosum can be very frustrating -- you want to "do something" to improve their life but it can be difficult to identify what that would be. Joining the Board of Directors is the perfect opportunity for parents, adult siblings, grandparents, aunts/uncles and spouses of individuals with a DCC; **board members have a real opportunity to give their skills, talents and ideas for the good of the organization and the community we serve.**

## ***Looking for other ways to get involved?***

### ***Join an NODCC committee!***

The Board of Directors has several committees with opportunities for involvement and support, and these volunteer roles are a fantastic way to ensure that your voice will be heard. Our four committees are as follows:

#### **Communications**

This committee primarily oversees written materials and content put out by the organization. Our needs include: writers for monthly eNewsletter and other stories/content, graphic designers to help design graphics for online and social media, and video production of short social media videos and other content

#### **Governance**

This committee is responsible for ensuring the organization's management and legal documents are monitored and current. Governance committee oversees bylaws, policies, contracts and more for the organization.

#### **Development**

This committee is responsible for funding for the operation and programs of the NODCC. Current development needs include: grant writers to help identify and apply for funding, volunteers to support development efforts including corporate sponsorship, foundations, individual donor drives, signature fundraisers, etc., volunteers to organize local fundraisers, support in funding for 2021 Conference in Texas

#### **Regional Community Support**

This group serves as local first responders providing support to newly diagnosed families or other local needs. Volunteers in local cities or states can help organize family gatherings or fundraisers to strengthen the connection between families.
