

What to Bring to Your Child's IEP/Parent-Teacher Conference

1

List of Questions

- Create a list of questions separated into IEP sections or by subject.

2

Work Samples – Successes

- Bring work samples from the classroom that have been a success, and ask questions about how the information was presented, practiced and tested. This will help to point to techniques that are successful for your child.

3

Work Samples – Struggles

- Bring work samples from the classroom that have been a struggle, and ask questions about how the information was presented, practiced and tested. This will give you the opportunity to discuss what might work better for your child.

4

Ideas for Success

- Bring ideas for success that have proven to work at home.

5

If Behavior is an Issue

- Ask for a behavior chart, communication from the teacher, and feedback each day.

6

Ask What You Can Do at Home

- Ask what you can do at home to support what is being taught in the classroom.

7

End with a Compliment

- Finish with a compliment for the teacher.
